2/5/13

5 It is a bad policy in my opinion to make any one else but the actual occupiers responsible for excess water rate. If necessary a sufficiently liberal free allowance may be made but the excess over that must be paid for by the occupiers. Other wise there will be no check against waste.

Letter No 50 dated the 12th March 1913 from the Palace Controller, Mysore stating that the Palace building in the City of Mysore known as the Arsu Students' Home is set apart for a public purpose and that the Superintendent of the Home is provided with residential quarters in a Cottage in the premises and requesting that the institution may be given the usual exemption from liability to pay the charge for excess water consumption in the premises

Order thereon No 4925-8 / EDn 302-12-5 Dated 24 10-13

Government direct that the free allowance of water to the Arsu Students Home at Mysore be fixed at 12½ gallons per head daily Only residential members of the Home should be taken into account in such calculation, and not servants and followers

The charges for water consumed in excess of this allowance should be borne by the Institution

In regard to the free allowance of 12½ gallons per head per day sanctioned above Government direct that the difference between the quantity of water calculated as aboveand the quantity of water that would ordinarily be allowable to the Institution under Rule 11 of the

(5

Revised Rules for the regulation of water supply from the Vani Vilas Water Works, Mysore city be charged for at the rates for water prescribed in rule 12 and such sum shall in accordance wit the G O No $\frac{1453-91}{9150-88}$ dated 13th November 1912, be regarded as a grant to the Institution which should be debited to the Education Department, and for which credit should be given in the accounts to the Water supply Department
